

## **Boundary County Tidbits**

- In Bonners Ferry, Idaho a piece of prime industrial property is now being managed by a wholly owned subsidiary of Riley Creek. The site was once the Louisiana Pacific mill. Mark Brinkmeyer at Riley Creek intends to market the 60 plus acre site for industrial use. The site has all the infrastructure in place to make it attractive to industrial development.
- Boundary County's economy is growing and retail sales are a reflection of that growth. Total taxable sales in Boundary County increased 20.2% from \$54.2 million in 2003 to \$65.2 million in 2004. That's the largest year-to-year increase for any Idaho Panhandle county since 1989.
